To whom it may concern,

I am writing to show the Acland Street Village Business Associations support for building the best possible attraction at St Kilda Beach in the location of what was Brookes Jetty.

A proper attraction at this site will increase visitation to St Kilda from both overseas and local tourists. An amazing and suitable attraction that not only brings people, but allows them to stay in the area longer, will bring a substantial benefit to traders and the local community and provide another great reason to visit St Kilda.

The location of Brookes Jetty (directly in line with Shakespeare Grove) helps to provide a gateway to Acland St and the trading community there.

A replacement jetty as proposed by Bring Back Brookes Jetty will produce a benefit for Acland St Traders and the whole village and we look forward to seeing it completed.

Yours sincerely
